# Members in the Concierge Choice program receive:

## Preventive Wellness

An extended annual examination that includes a thorough health review and supplementary testing customized to your unique health needs.

## More Time With Me

Longer, more relaxed appointment windows that allow us to spend more time together discussing all your health concerns and treatment plans.

## Exclusive Office Phone Number for Members

You can conveniently reach a member of the staff at the office and bypass the automated attendant.

## Easy Ways to Reach Me Directly

Members receive my private cell phone number and email address for after-hours communication.

## Convenient Appointment Scheduling

With dedicated appointment times for concierge members, it's easy to secure a same-day or next-day appointment.

## Comprehensive and Coordinated Care

I can serve as your advocate with other specialists and health providers.

## Facilitation With Referrals and Insurance

My staff can take the time to coordinate with other health providers on your behalf, and even handle insurance issues.

## USB Memory Device

Your medical information stored conveniently so it's always on hand.

## Peace of Mind While You're Traveling

A network of concierge physicians available when you are away from home.

# Here's what patients like you are saying about the concierge program:

“My doctor is the best and I love the concierge program. As someone with various health problems, I am happy with the ability to contact my doctor so easily.”

.....

“Amazed at how quickly the staff and my doctor responded to me. I received a quick and excellent response to my first call and they followed up with my medical issues.”

.....

“The doctor and staff are always thorough and attentive, putting my mind at ease regarding the health issues I worry about.”
